

Available FAXVIN History VIN Reports

Table with 6 columns containing VIN numbers and their corresponding reports. The VINs are in the format JF2SHAAC9DH43XXXX, where X represents a digit. The table contains 100 rows of data.

Table containing a list of Vehicle Identification Numbers (VINs) for FAXVIN reports. The table consists of 10 columns and 100 rows of data. Each row contains a VIN from the first column and a corresponding VIN from the second column, separated by a pipe character (|). The VINs are numerical and alphabetic strings, typically following the format of a standard VIN (e.g., JF2SHAAC9DHD437729).

Available FAXVIN History VIN Reports

Table with 10 columns of VIN numbers (e.g., JF2SHABC0BH746811, JF2SHABC0BH746856, JF2SHABC0BH746906, etc.)

Table with 10 columns containing VIN numbers (e.g., JF2SHABC1CH441822, JF2SHABC1CH441870, etc.)

Table with 6 columns and 992 rows of VIN data. Each row contains a unique vehicle identification number.

Multiple columns of alphanumeric VIN and report identifiers, such as JF2SHABC2BH757034, JF2SHABC2BH757039, etc.

Table with multiple columns containing VIN numbers (e.g., JF2SHABC2BH785433, JF2SHABC2BH785478) and their corresponding model years (e.g., 2018, 2017, 2016, 2015, 2014).
